

5th Annual Mukwonago Bands

# *Field of Flags*

**Help us make this year our biggest patriotic display yet!**

## **What is the "Field of Flags"?**

The Field of Flags is the MASD Band Program's largest annual fundraiser. On the four summer American holidays, the Mukwonago Band students and staff display hundreds of American flags along E. Veterans Way between Clarendon Avenue Elementary School and Park View Middle School. In 2021, we had over 140 flags sponsored. In 2022, we had nearly 200 flags flying proudly over Veterans Way. 2024 was our biggest year yet, with 237 flags! With your support, we can make this year the largest display yet.

The Field of Flags display is erected on Memorial Day, Flag Day, the 4th of July, and Labor Day. Each flag is 3ft by 5ft, flown on a 7 1/2 ft white pole, and is internally anchored into the ground with rebar. Attached to each pole is a tag that includes the flag's number, the name of the supporter who sponsored it, and a custom dedication to a serviceperson or other hero who has served our country.

A complete listing of all flag sponsors can be found on our website (listed at bottom of page). Flags are set up in numerical order so that on the next holiday you will be able to find your flag with ease! Please tell all your neighbors to join this great patriotic event. The more families that participate, the more dramatic the effect will be on these important American holidays!

**For just \$50, you can sponsor a flag for that will proudly fly for all four holidays (Memorial Day, Flag Day, Fourth of July and Labor Day).**

An order form can be found on the reverse side of this page. You can also find more information or place an online order at [www.mukwonagobands.org/flags](http://www.mukwonagobands.org/flags).
